

Raider Baseball

2021 Middle School Information

Raider Baseball strives to provide a first-class, consistently competitive baseball program that produces quality baseball players and quality young men.

- Middle School Tryouts will be held Feb 1-3 from 3:45pm-5:45pm at the Ruby Fulbright Aquatic Center field for all 7th and 8th grade students. In the event of inclement weather, tryouts may be moved to the Velo Factory (adjacent to Little League Fields) or Wilbanks Middle School. Announcements will be made if the location is moved from the Aquatic Center.
- Players should come prepared for both indoor and outdoor activities. They should dress for cold weather and bring tennis shoes to wear inside.
- **ALL PLAYERS MUST HAVE AN ACTIVE PHYSICAL ON FILE IN ORDER TO TRYOUT.** A physical is active for one calendar year. If your son currently has an active physical on file at his school, this will be sufficient. **Physicals must be completed using the Habersham County Schools forms including the insurance page.** Physicals should be turned in to the Athletic Coordinator at each school.
- Players must be academically eligible to tryout.
- Transportation: Buses will be available for students to ride from each middle school to tryouts, practices, and games. The front office at each middle school should have information regarding specific bus numbers.
- Practice & Game Locations: Games will be played at Raider Park unless there is a scheduling conflict. In that case, games will be played at the Aquatic Center field. Daily practice will be held at the Aquatic Center field unless the field is unplayable due to inclement weather. In that case, practice will be in the Velo Factory indoor facility.
- Games will begin Feb. 17th and end April 2nd
